

BEM Church Partnership Program

Application Form

*"You are no longer strangers or foreigners, but fellow citizens with God's people and members of the household of God."
Ephesians 2:19*

To form a church partnership with a church in Haiti:

1. Submit a request for a church in need of your partnership using the form below.
2. Send a delegation or someone from your church to Haiti to meet your new church partner. If no one is available to go, BEM will provide you all necessary info.
3. Evaluate their needs and share your church's needs with them.
4. Develop a plan of action.
5. Keep communication open between the two congregations through a member of our USA staff.

NOTE: Please keep in mind BEM is a partial stationary ministry for Pastors, so your partnership is not with a pastor, it is instead with a church. The pastors of most churches are subject to transfer but the church board will remain the same.
